

STAY at HOME Packages offer:

- Twenty-four Hour Monitoring and access to Emergency Services at the push of a button
- Nursing Visits to assess your health and monitor your medications
- Support in your home every day to help with personal care, light housekeeping, meal preparation, laundry and grocery shopping
- Foot Care and Hair Dresser visits in your own home

STAY at HOME PACKAGES are for individuals who are:

- Recovering from a hospital stay or living with medical or physical challenges
- On a Wait List or wanting to compliment present services
- Want to be safe and supported in your own home
- Looking for an alternative to Retirement or Nursing Homes

DHS Health Care Service in affiliation with  Canada Trust can help you optimize your financial options to stay in your own home. Call DHS today!
